VENUE: Marathon Oil Tower, 5555 San Felipe, Houston TX 77056

THEME

## The Challenges and Opportunities to the Energy Industry for Anemic Oil Prices and Increasingly Stringent Environmental Regulations

低油價和更嚴格的環保法規對能源產業的挑戰與契機

Dear CAPA Members and Friends:

October 19, 2015

Chinese American Petroleum Association (CAPA) is pleased to announce and sincerely invites you to attend the 2015 Petroleum and Petrochemical Technical Symposium. The Southwest Section of the Chinese American Chemical Society (SW-CACS) continues to co-organize with CAPA, and the Society of Exploration Geophysicists (SEG) continues to sponsor student paper contest.

This symposium will include key presentations from leaders in oil and gas industry during the morning general session:

- **Claudia J. Hackbarth** (Manager, Unconventional Gas & Tight Oil R&D, *Shell International E&P Inc.*)  
- "Technology and Innovation for Unconventionals in Current Times"
- **Dawn Constantin** (VP Marketing & Fundamentals, *BP Energy Company*)  
- "North America Energy: Where do we go from here?"
- **Dr. Kenneth M. Tubman** (VP Technology & Subsurface, *ConocoPhillips*)  
- "Technology Development and Exploitation to Maintain Competitive Advantage in a Volatile Oil Price Market"
- **William (Bill) Barkhouse** (Associate Executive Director of Business Development and GEOPHYSICS, *Society of Exploration Geophysicists*)  
- "The CAPA/SEG Global Partnership"
- **Dr. Marinda Li Wu** (2013 President of the American Chemical Society)  
- "Partners for Progress and Prosperity: Challenges and Opportunities"

Parallel technical sessions in the afternoon will include 31 technical papers over six sessions:

- Deepwater and Conventional Exploration & Production
- Unconventional Plays
- Engineering and HSE
- Business Development - Panel Discussion
- Student Paper Contest (two sessions)

Special recognition of CAPA sponsors will take place during the symposium luncheon. Thanks to the strong support from CAPA sponsors, the symposium registration fees (including continental breakfast, lunch, beverages, symposium proceedings and parking) have been discounted. Online registration for the symposium is now open at the CAPA website [www.capaus.org](http://www.capaus.org). Please register as soon as possible.

Online registration **for Members: \$30, Between Jobs: \$15 and Students: \$10; Additional \$10 for walk-in** registration.

Note: To encourage participation from non-members and non-Active members in this symposium, registration fee will be the same as Active and Permanent members due to CAPA website and membership database migration. Please also note that all future membership renewal will be effective starting on January 1<sup>st</sup> each year, and the annual membership will expire on December 31<sup>st</sup>. The membership fee will not be prorated in the future. For membership questions, please contact Yining Li ([liyn2000@gmail.com](mailto:liyn2000@gmail.com)) or Li-Fan Yue ([lifanyue@gmail.com](mailto:lifanyue@gmail.com)). For symposium registration questions, please email to [CAPAUSAEVENT@gmail.com](mailto:CAPAUSAEVENT@gmail.com).

Parking tickets will be validated at the registration desk. We encourage you to carpool for this event to show our support of energy conservation.

Thanks to the hard work of our steering committee, we are very excited about the upcoming technical symposium. Detailed symposium program can be found at our website. We look forward to welcoming you to this symposium.

Sincerely Yours,

Dr. Long Ma  
CAPA President, 2015

Dr. Bruce Shang,  
CAPA BOD Chairman, 2015
